

DELAWARE BIRD-A-THON

Coming this May!

Help us protect
Delaware's birds

What is the Delaware Bird-a-thon?

The Bird-a-thon raises money to purchase and restore critical bird habitat in Delaware. Participants sign up sponsors and go birding for one day to raise money. Run annually in early May since 2007, the Delaware Bird-a-thon has raised over \$800,000 which has been used to preserve almost 3,000 acres of critical bird habitat in Delaware.

Contribute in two ways:

1. Find sponsors and bird by yourself or join with others to form a team. Prizes are awarded in a number of categories.
2. Individual or business sponsors can make a tax deductible contribution online or by mail.
